***'Repentance – High Priest'***

**Read Heb 4:14-5:10**

1. How has Jesus been described as our high priest?  

---
2. How does this encourage us to respond to him in our times of trials or temptation? (v16)  

---
3. What analogy does the writer use to show that Jesus is greater than even Moses? (v16)  

---
4. Re-Read 5:1-10 and note down the characteristics of the high priest which make them able to intercede for us?  

---
5. The writer compares Jesus' role to that of the high priest. Note down the similarities and differences between these roles?  

---
6. What instruction can we take away from this section?  

---

As our mediator before God, Jesus is not one to be feared, but the one we can draw near to in confidence (v16). He sympathises with us as one who has faced our temptations and therefore knows our struggles and fears.

---

7. How do we draw closer to the throne of grace?

---

8. What practical things can we do to encourage us to draw on Christ's mercy and grace?

---

Pray – Spend some time confessing the things we have kept back from Jesus? If you are unable to state them in front of the group pray generally that God will give you the courage to confess all our sin to Jesus in our private time with him.
